25X1A9A Memo to:

*I spent two hours talking with
the State nominee on 21 Feb. His
initial reaction was that he
was not an analyst and that
was what I needed. I told him
I could utilize his experience. He
called me on 24 Feb to say that
he tried his job where he was
and that I would be hearing
from Bill Hyland or his deputy
Martin Parkman.*
